Dear ACP members,

I am writing with one of my regular updates to ACP members about the Maintenance of Certification (MOC) program from the American Board of Internal Medicine (ABIM). You may

We are pleased that AB/al also recognized the importance of formal input from ACP to the Task Force by including Dr. Patrick Alguire, ACP's Senior Vice President for Medical Education, as an *ex officio* member of the Task Force.

We recognize that implementation of any of the recommendations will require approval of
