

International Membership Application

To apply for membership:

1. Please complete all fields and sign application below.
2. Enclose your dues payable to ACP (or include credit card information on the application) and return by fax or mail.

Training/Board Status* (check choice that applies to you):

I have been certified by a recognized certifying body in internal medicine or neurology.

I affirm that I have successfully completed a residency in internal medicine, a combined internal medicine program or neurology.

Date of Completion _____ (month/year)

*If neither of these apply, please contact the ACP Credentialing Section at help@acponline.org before completing this application.

Applicants in Canada must be certified in internal medicine by the Royal College of Physicians and Surgeons of Canada, or the Collège des médecins du Québec. Noncertified applicants outside of an ACP Chapter must also attach one sponsoring letter or Member Sponsorship Form from a current ACP FACP or MACP***.

Self-designated Specialties: Please indicate as your "primary" specialty/subspecialty the area in which you spend most of your time. As your "secondary" specialty/subspecialty, indicate the one in which you spend the next most amount of time (if applicable). **Use codes on reverse.**

Education/Training Information (Required):

I have graduated from a medical school listed in the World Directory of Medical Schools: www.wdoms.org.
