INSTRUCTIONS

1. Eligibility

- Eligibility for ACP Physician Affiliate membership for international physicians shall include licensed physicians who graduated medical school from a school found in the World Directory of Medical Schools: www.wdoms.org. Further, ACP Physician Affiliate membership is only available to physicians not trained in or practicing in internal medicine and who hold a current license to practice in their field of medicine. Physicians trained in or practicing internal medicine should complete a full Member application at www.acponline.org/intjoin.
- All elections are subject to review by ACP's Credentials Committee. If an application does not fulfill requirements, the ACP Governor (if applicable) and/or the Credentials Committee may request additional information. Applicants not elected within six months of submission must submit a new application.
- Physician Affiliate members are not eligible to vote, hold office, sit on a committee that does not have seats for nonmembers, or attain Fellowship in ACP.

2. Materials to be submitted

Generally, the election process takes approximately two weeks providing the application is complete and includes a dues payment.

- The application form must be accurate, complete, and signed.
- Dues payment must accompany the application for the membership to be activated. Dues rates vary by country based on World Bank economic indicators. Please refer to the dues rate in your country of residence located at www.acponline.org/intdues. ACP's membership year runs from July 1 through June 30 of each year. All ACP dues are subject to change at the start of each membership year. Dues are prorated for new members, and any unused portion will be applied to next year's dues. Your dues are allocated to several specific entities: ACP, ACP Services, and your local chapter, if applicable.

3. If there is an ACP chapter in your country, you will become a member of the chapter and, upon renewal of your ACP membership, you will be charged chapter dues, if applicable.

4. ACP Ethics Statement

All ACP members are expected to uphold the ethics of medicine as exemplified by the standards and traditions of ACP, including those found in the ACP Ethics Manual (www.acponline.org/ethicsmanual). A booklet version may be ordered through Member and Product Support. Physician Affiliate members should be familiar with the College's current procedures for addressing ethical complaints against College physician members (www.acponline.org/complaintsprocedures). The staff of ACP's Center for Ethics and Professionalism is available as a resource for questions concerning ethics.
