

WELL-BEING RESOURCES: ORGANIZATIONS

Organization of the Wildc... Dr. Gamble... professional and
fulfill... make a difference... ways to improve this and discuss (CME Credits for 1.5 on
efforts) at the level of the organization. For example, these materials could inform didactic
facilitated discussion... Organizational Change... Champion
Webinar in which Dr. Lisa Rotenstein discusses innovative organizational
interventions Champions can make and advise to others to improve well-being
(Login required).

•

- describes
key features of successful health care teams, reviews existing evidence that links
high-functioning teams to increased clinician well-being, and recommends strategies
to overcome key environmental and organizational barriers to optimal team-based
care in order to promote well-being. Well-being Champions and Chapter Leaders can use these interventions
